

ERDG's New Student and Professional Artists Galleries

ERDG Launches New Student and Professional Art Galleries

ERDG, who is dedicated to the conservation of the world's four horseshoe crab species, launches a completely rebuilt "[Poems, Tales & Images](#)" section on its award winning website www.horseshoecrab.org.

Our new "[Poems, Tales & Images](#)" section now comprise two galleries. The first gallery represents student artists selected each year in our Young Voices™, Horseshoe Crabs and the Arts competition, since the programs inception in 1998 up to and including our 2016 winners.

The second gallery, is for professional artists who have chosen horseshoe crabs as their subject matter. We hope our professional gallery continues the heart felt expression of our student artists in celebration of this remarkable mariner.

Beginning Friday, January 20th and every Friday thereafter, we will post student and/or professional artwork on our [Facebook](#) page.

If you know a student who may be interested in entering our annual

competition, entry forms can be found in the student gallery. If you are a professional artist and would like to exhibit your work, please contact [Ariane Müller](#) for submission details.

Enjoy!

We invite you to "Like" us on [Facebook](#) for a journey around the world, where our friends and partners share their horseshoe crab conservation efforts, both in the field and in the classroom.
